What we may do: In years past we have cleaned hoarders' houses, built fences, painted inside/out of homes, cleaned parks, and have served at a Women's home in downtown Orange. All these projects were in partnership with the Janitors for Jesus ministry. We are hoping to continue this partnership again this year.

Mission Letters: you may raise funds through writing mission letters to family and friends. The letter must be approved by Pastor Sean or Pastor Adam before they are sent out. See them for details about raising funds through letters.

Travel: we will car pool down and use the church van leaving on Sunday morning and coming back Wednesday afternoon.

Meals: We will provide breakfast, lunches and dinners while on the mission trip. \*Each person though is responsible for their own lunch on the trip down and back.
